2010 Stuyvesant Spring Litter Clean-ups Scheduled

Residents are gearing up for the annual Stuyvesant Spring Litter Clean-ups on the last weekend of April and the first two weekends of May. Residents of Stuyvesant and anyone from surrounding communities are welcome to participate. The cleanup schedule is:

Nutten Hook: Saturday, April 24, from 10 am to noon. Meet at the end of Ferry Road, off Rte. 9J.

Stuyvesant Landing: Saturday, May 1, from 10 am to noon. Meet at See Park at Stuyvesant Landing.

Stuyvesant Falls and Mill Creek (Swyer Preserve): both clean-ups on Saturday, May 8, from 10 am to noon. For **Stuyvesant Falls**, meet at the parking area at the “Sandbar” park at the base of the falls. For **Mill Creek (Swyer Preserve)**, meet at the Swyer Preserve parking area on Rte. 9J, one-half mile north of the intersection of Gibbons Road and Rte. 9J.

After the May 8 Stuyvesant Falls clean-up, join us for a pot luck lunch/cookout, from noon to 2 pm, at the “Sandbar” park at the base of the falls.

The rain date for each cleanup is the following day (Sunday) at 2 pm.

Volunteers are encouraged to wear long pants, long-sleeved shirts, sturdy footwear, and work gloves. Trash bags will be provided. Children with adult supervision are welcome. One pick-up truck is needed for each cleanup to bring trash for disposal at the Town Highway Department.

Come and spend a few hours for a great cause! For more information on the clean-ups — or to confirm that you can participate — call Sean Cummings at 758-7975 (eves) or 473-4945 (days) or email him at scumming@berk.com.
